Sydni Mottley

Fashion and Graphic Design

I'm an aspiring Fashion Designer and Stylist from Detroit, MI. I studied at North Carolina Central University and graduated Magna Cum Laude. There I majored in Apparel Design and Textiles with a minor in Business. My skill set includes draping, tailoring and flat pattern making. I also am proficient in Adobe Photoshop, Illustrator and Premiere Pro.

Apparel Design II Design Final

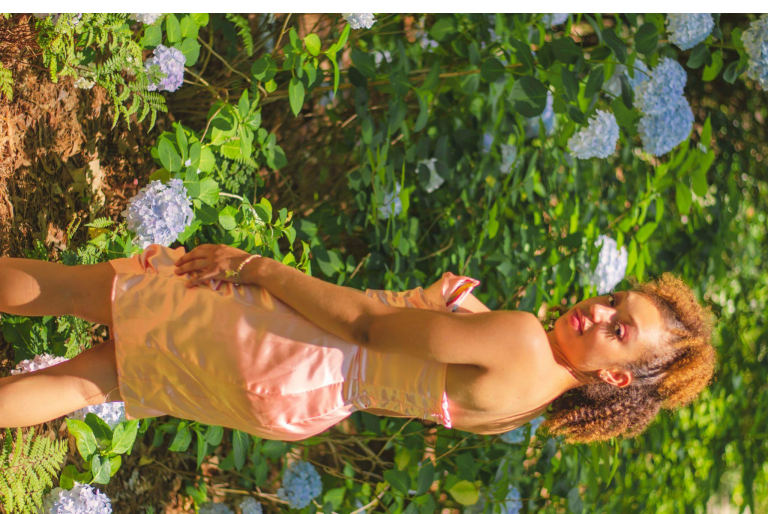

For this class we are required to design a minimum of three pieces for our Annual Spring Fashion Design Competition. I was inspired to create these four looks because of my longing to travel after being at home so long due to COVID-19. These four looks were items I created if I were to go on my dream vacation in Italy and the French countryside.

Cotton Poplin Birds of Paradise print top and bottom.
Top is lined with a tie closure. Bottom is lined with an
invisible zipper and hook and eye closure.

Orange satin ruffle off the shoulder dress. Princess seam details with invisible zipper closure.

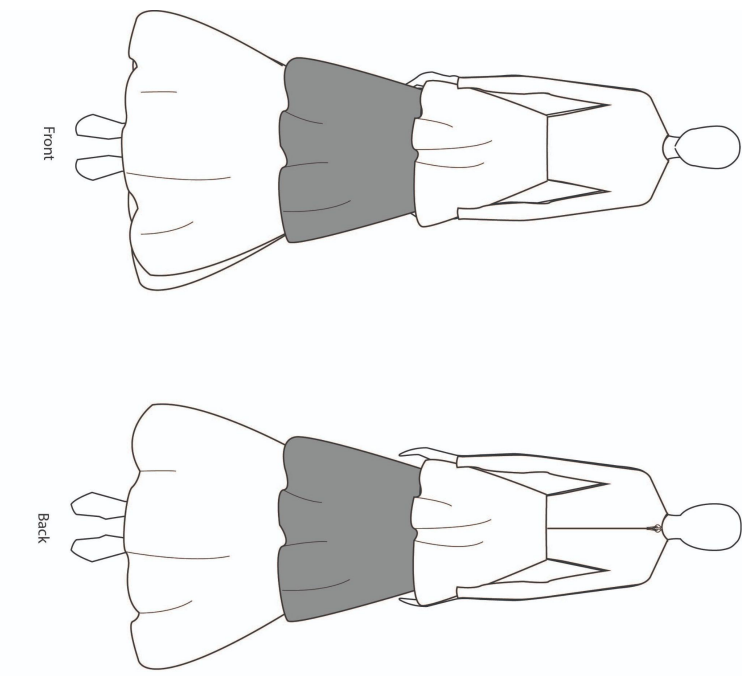

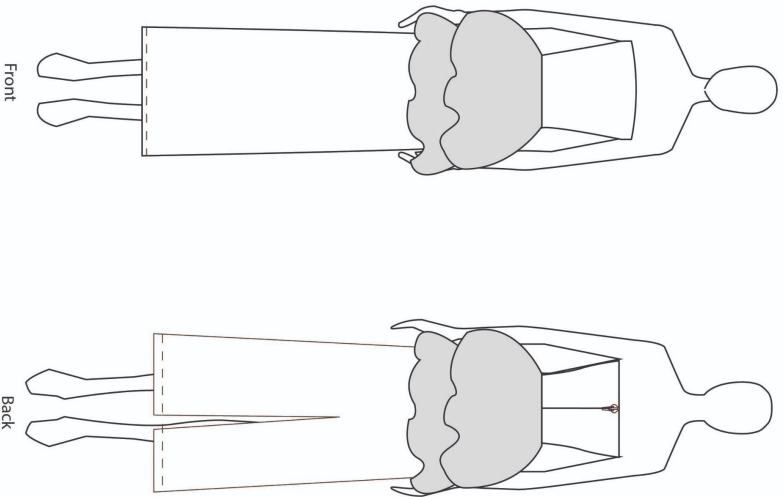

Pink Satin Corset Dress with cotton poplin birds of paradise detailing. Fully lined with boning and invisible zipper closure.

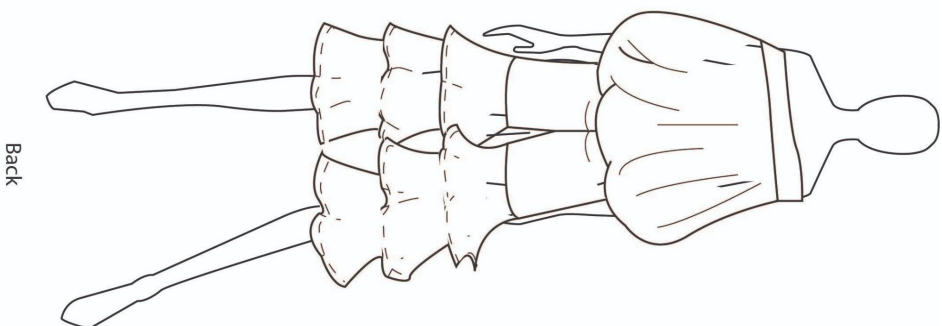

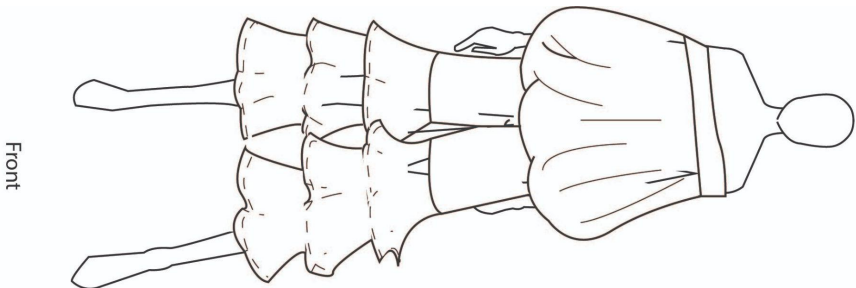

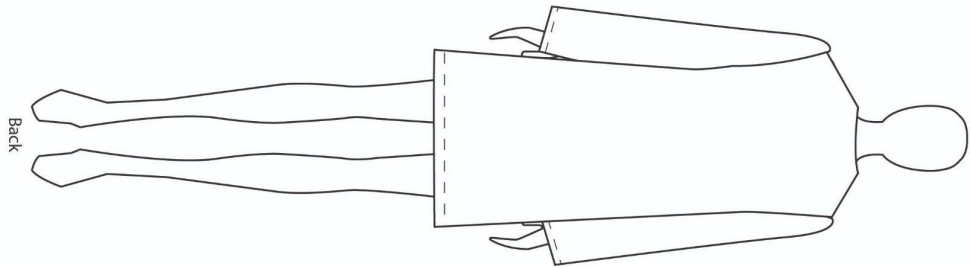

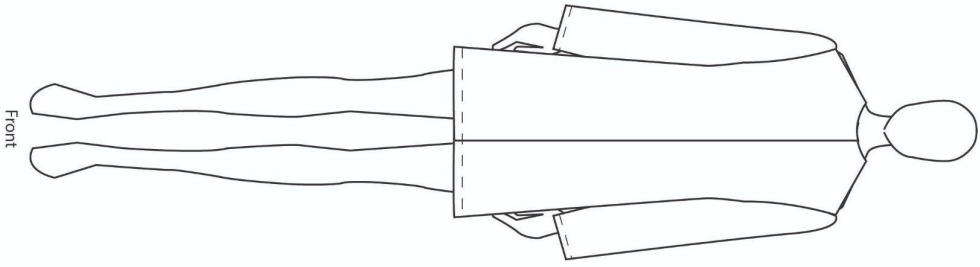

Blue Matte Satin Dress. Bodice lined with invisible zipper closure.

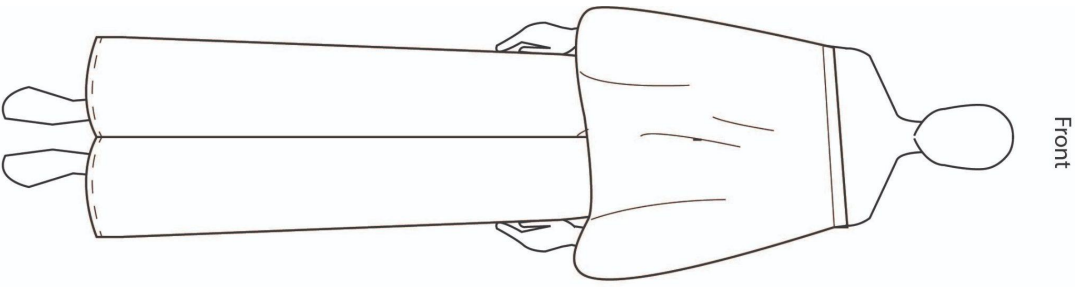

Use of Adobe Photoshop to create a pattern using letters and applying the pattern to clothing.
